The Dakotas United Methodist Foundation Board of Directors has approved funding for approximately \$10,000 in Matching Grants for missions projects in churches/ministries in the Dakotas Conference from the Bremer Mission Endowment.

Requirements for grants are as follows:

- Grants are available for \$250 or \$500.
- That the local church/ministry demonstrates a local match of the grant amount.
- The mission projects can be local through global.
- Upon completion of the mission, email a picture of the project to bblumer@DakotasUMF.org
